Products will be delivered from retailer, *Brothers Main Appliance*, Stoughton Rd., Madison, WI. All products will be delivered new and with manufacturer's and retailers standard warranties. Seller is not a merchant and except as to warranties extended by Brothers Main or the manufacturer makes no representations or warranties concerning the products and specifically disclaims any warranty of merchantability and/or fitness for any particular purpose. **All sales are "as is," "where is," and "with all faults."**

Seller reserves the rights to substitute products if no longer available from retailer or for other commercially reasonable circumstances determined by Seller in Seller's sole discretion. Products shall be reasonably comparable but not necessarily identical. Manufacturer and/or retailer may discontinue certain models and may substitute model numbers from time to time.

In order to qualify for \$1,000 "Cash Back" Buyer and Buyer's builder must agree in writing to build a home to "green standards." Acceptable standards include the Green Built® program, the LEED® program, the NAHB Model Green Home Building Guidelines®. However, any regularly recognized green building standard may be acceptable but must be certified by a qualified third party inspector and if not of the former three programs must be approved by Seller. Seller reserves all rights to modify this program at any time without notice. "Cash Back" shall be applied to the purchase price or otherwise paid out at closing. If Buyer fails to perform with reference to the green building program, Buyer agrees to refund the Cash Back receipts immediately upon request.

Any additional promotion amounts or discounts, if any, offered to builders are offered only to bona fide builders and developers whose full time and primary business is the development and construction of buildings. Qualifications may be rejected by Seller based on Seller's sole good faith discretion.

All promotions are administered by John R. DeWitt, d/b/a DeWitt Real Estate Development.
